

REGIONAL CENTER PEDESTRIAN, BICYCLE AND GREENWAYS PLAN

ONLINE SURVEY

WHY

- Present your ideas to improve biking, walking and hiking in Raritan, Somerville and adjacent areas in Bridgewater
- Identify what the priorities should be for improving biking, walking and hiking in the Regional Center
- Identify locations in need of improvement and identify types of pedestrian, bicycle and greenway improvements that will enhance connections among Regional Center destinations

WHO

Anyone who bikes, walks or hikes in Bridgewater, Raritan & Somerville. Whether you reside, work or visit these towns.

WHEN

Anytime Day or Night
through
May 30, 2008

WHERE

Please go to
[www. Ridewise.org](http://www.Ridewise.org)
to fill out the
online survey

Connecting People & Places in the Regional Center

As part of the community outreach for the Regional Center Pedestrian, Bicycle and Greenways Study, Somerset County is conducting an online survey to gather public input to identify and understand the existing needs for biking, walking and hiking within the Regional Center. The on line survey will help identify the types and locations for improvements to enhance walking biking and hiking within the Bridgewater, Raritan and Somerville.
